

# Services that work for you

HIGH QUALITY, CLEAN AND DEPENDABLE PORTABLE RESTROOMS  
FOR YOUR CONSTRUCTION SITE OR SPECIAL EVENT NEEDS

**Commode King** is a *Woman Owned Small Business (WOSB)*, family run and operated, that services Maryland, Virginia and Washington DC. Our company provides delivery, set up, service, and pick up of our portable restrooms for both construction and special events customers.

We offer a wide range of washroom choices to fit your every need. Our portable restrooms range from the *Deluxe, VIP, Elite* and *Comfort Handicap* washrooms that can be moved from location to location. All of our porta potties will come with toilet paper and antibacterial hand sanitizer dispensers. Some units feature mirrors, shelves, hooks and solar lights for added comfort and convenience. Porta potties can also be rented with a separate hand washing station, where soap and paper towels are included. A standard porta potty does not use traditional plumbing, it contains powerful deodorizing chemicals to disinfect and manage waste. These chemicals are sanitary, Eco-friendly and will not harm the porta potty user or the environment.

Our *Deluxe washroom* is our standard unit that has 24 percent more interior floor space than other units in its class. The efficient use of its corner tank allows the unit to be able to add on a sink, offer more space for parents with children, or offer more room for construction workers with bulky gear.

Our *VIP washroom* is equip with all the features that our *Deluxe* units include but come with the added convenience of a freshwater sink, solar light and mirror. The *VIP* unit is an ideal choice for special events.

Our *Elite washroom* is a flushable portable toilet that offers an added level of comfort and convenience for guests including sanitary hands-free flushing via a foot-pump. The *Elite* features a closed holding-tank system and includes a freshwater sink, solar light, mirror, shelf and hooks for a complete restroom experience.

Our *Comfort Handicap washroom* is designed for persons with a physical disability or mobility impairment, especially wheelchair users. The *Comfort Handicap washroom* adds 16 square feet of open interior floor space. This unit has an oversized, self closing door, roll-in ground level floor access and interior handrails making it safe, comfortable and convenient.
